Superintendent
Department of Education
Division of Sarangani
Alabel, Sarangani Province

Dear Sir:

GREETINGS !

Magandang Gensan!

Destructions of unparallel proportion brought about by various forms of disasters have become a global phenomenon. In fact, the impact that the kind of calamities that we have been experiencing the past several years have been staggering.

In order to help mitigate the devastating repercussions that disasters may cause especially upon human beings, the Philippine Guidance and Counseling Association, Inc. (PGCA) is embarking on a nationwide project that will augment efforts of LGUs to address the unfortunate effects of calamities to individuals. A team of volunteers who are Registered Guidance Counselors (RGCs) will go around the country to train guidance counselors from the different chapters to provide psychosocial support to survivors of disasters.

In this regard, we would like to request you good office to officially endorse the training workshop for the participation of guidance practitioners and other helping professionals particularly those from Deped Sarangani. Furthermore, many guidance counselors from the public schools are seeking endorsement that their participation be subsidized fully or partially.

Your endorsement is very much needed at the soonest possible time to help participants avail themselves of early bird rates.

We are looking forward for your positive response on this request.

Thank you and more power.

In Notre Dame,

JOVIR C. IGNACIO, Ph. D., RGC
GTC Director/
PGCA RXII President
