SUBJECT : LEARNER INFORMATION SYSTEM (LIS) 2.0 User's Manual

DATE : February 27, 2014

1. The Learner Information System (LIS) was implemented in government schools and Community Learning Centers (CLCs) in September 2012 through Deped Order Nos. 67,s. 2011 and 22, s. 2012. The implementation directed the issuance of a unique Learner Reference Number (LRN) to learners enrolled in public schools and Alternative Learning System (ALS) learners in CLCs for School Year (SY) 2012-2013. It also enabled the establishment of a centralized "Learners Registry" where basic learner information is captured, stored and accessed through a secured facility to enhance tracking and decision-making on learners at various levels of Deped management.
2. Prior to updating of Learners Registry for SY 2013-2014, public schools, ALS CLCs and division offices undertake review and clean up (housekeeping of learner data in the LIS to resolve data issues as per DO # 33, s. 2013.)
3. In line with this, Central Office come up with the new version of LIS Users Manual for guide.
4. This Learner Information System (LIS) 2.0 User's Manual can be downloaded in our website at depedsarangani.eu5.org at Planning Updates
5. For your information and guidance of all concerned
