The project aims to ensure that boys and girls living in resilient communities are able to access their Education, Health and Protection Rights through locally delivered and managed services.

One of the Goals & Objectives of REACH is to really Reach Out our school children especially in marginalized areas for them to enjoy their rights for education with happy hearts and sound minds; and to answer our participation & enrolment rates in schools, where children are considered as PARDO's & SARDO's for the reasons of many factors, thus strengthening ADM/ALS Implementation is also the project's advocacy.

In connection with this, Plan GNO Education Component will invite the Division ALS Supervisor, Division ADM Coordinator & all the ALS District Coordinators, ADM District Coordinators and the School Heads of our recipient schools to attend our meeting on June 13, 2014 at exactly 9:00 in the morning, wherein Preparation for the Program Launching as one of the main agenda & to fill in the gaps on data.

Further, we are requesting your approval if can we conduct it on the said date for it is Friday, and the Division Conference Room as the venue of our meeting.
