The Learning Resource Management Development System (LRMDS) aims to provide teachers and students access to quality teaching, learning and professional development resources.

To start establishing our Division LRMDS, you are requested to furnish or provide copies of learning, teaching and professional materials available in your offices. This includes but not limited to the following:

- Learning Guides
- Instructional Materials
- Programs, Video, Tape, PowerPoint Materials
- Other available modules and resources you have developed

Please submit directly to the LRMDS Office.

Your full cooperation for the improvement and success of our program/projects is very much appreciated.
